Declaration of Change of Circumstances

I declare that since the interlock exemption was made, my circumstances have changed and I now choose to participate in the interlock program.

When I am issued an interlock driver licence, I understand my disqualification period will be suspended.

I am aware that the period the interlock driver licence will be issued is equivalent to either the disqualification period that has not been completed or the minimum interlock period that would have applied had an exemption order not been made, whichever is the greater.

I understand that on entering the mandatory interlock program that failing to complete the program will result in my licence being disqualified.
