

Purpose of Declaration

To effectively manage the on road movement of large indivisible loads the mass and dimension of any load presented for movement must be declared. This will allow transport operators and road authorities to determine the feasibility of these movements, appropriate vehicle configurations and conditions of operations.

TfNSW Online Application	
Application no.	

1. Consignor information

Trading name (for organisations) or:		
Full name (for individuals):		
Reference no. (CRN/ABN/BN):	Australian company no. (ACN):

4. Signature of person authorised by consignor

I hereby certify that the information supplied in this declaration is true and correct and, in my authorised capacity, indemnify each road manager against any claim, action or process for damage or injury which may be sustained against them by reason of the use of this declaration. I acknowledge that I have consulted with other chain of responsibility parties, including the consignor and operator, about the mass and dimensions of the loaded combination. I acknowledge that I must confirm the mass and dimensions of the combination once it is loaded. I acknowledge that the journey must not commence if the permit requirements are not complied with.

Full name:	Position:
Signature:	Date:

Warning

It is an offence under s701 Heavy Vehicle National Law if you state anything or give a document if you know it contains false or misleading information. The maximum penalty for this offence exceeds \$10 000.

Privacy Disclaimer

Transport for NSW is collecting your personal information to process this oversized and/or over mass permit application pursuant to Chapter 4 of the Heavy Vehicle National Law Act. We are authorised under this Act to collect information we reasonably require to process your application. We may disclose protected information contained in your application for the purposes set out in section 727 of the Act to an entity (including a private or public sector entity) identified in that section. This can include disclosure to an authorised employee or agent of the entity. We may disclose protected information to a law enforcement agency, including a service provider authorised to enforce the Heavy Vehicle National Law nationally. A police agency may disclose protected information disclosed to or otherwise held by it to another police agency authorised to hold protected information.
